Thank you Nick for speaking at Unity Carlsbad in January 10.

I especially loved your powerful yet simple presentation, which helped me to stop intellectualizing the Course In Miracles, and start "*really*" practicing those principles without reservation in my life.

I love the simplicity of your plan which is to remember that whatever happens in my life, there is only one problem: "*Illusion*" and one answer: "*The truth about who I really am.*"

Blessings,

**Rev. Julie Johnson**  
Senior Minister Unity of Carlsbad
