

Dear Nick,

28 - May 2006

Please accept this \$200
as my LOVE OFFERING to THE
SERVICE you have given me.

I'll never forget this. I'm going
through the course right now and
am really trying to absorb every
information in it and doing all
the exercises.

I just hope someday, I can also
be of service to others like you and
most of all, having REAL FUN doing
it.

I desperately wanted the happiness,
energy that you have.

Sincerely,
Eric
